

Signal Fire by Snow Patrol

The perfect words never crossed my mind 'Cause there was nothing in there but you I felt every ounce of me screaming out But the (1)_____ was trapped deep in me All I wanted just sped right past me While I was rooted fast to the earth I could be stuck here for a thousand years Without your arms to drag me out There you are standing right in front of me There you are standing right in front of me All this fear falls away to leave me naked Hold me close 'Cause I need you to guide me to safety No, I (2)_____ wait forever No, I (3)____ wait forever In the confusion and the aftermath You are my signal fire

All this fear (7) away to leave me naked
