

Fill in the gaps

The perfect words never crossed my mind	TI
'Cause there was nothing in there but you	ls
I (1) every ounce of me (2)	Tł
out	Th
But the sound was trapped deep in me	Al
All I wanted just sped (3) past me	H
While I was rooted fast to the earth	'C
I (4) be stuck here for a thousand years	Tł
Without your arms to drag me out	Tł
There you are standing right in front of me	Al
There you are standing (5) in front of me	H
All this fear falls away to leave me naked	'C
Hold me close	N
'Cause I (6) you to guide me to safety	N
No, I wont wait forever	N
No, I (7) wait forever	
In the confusion and the aftermath	
You are my signal fire	

The only resolution and the only joy
Is the faint spark of forgiveness in your eyes
There you are standing right in front of me
There you are standing right in front of me
All this fear falls away to leave me naked
Hold me close
'Cause I need you to guide me to safety
There you are (8)_______ right in front of me
There you are (9)______ right in front of me
All this fear falls (10)______ to leave me naked
Hold me close
'Cause I need you to guide me to safety
No, I wont wait forever
No, I wont wait forever
No, I wont wait forever
