Hopeless Wanderer by Mumford & Sons

You neard my voice		So leave (8) click in my nea	ad	
I came out of the (1)	by choice	And I won't remember the words that y	he words that you said	
Shelter also gave their shade		You brought me out from the cold		
But in the dark I have no name		Now, how I long, how I long to grow old		
So leave that click in my head		So when your hope's on fire		
And I will remember the (2)	that you said	But you know your desire		
Left a clouded mind and a heavy heart		Don't hold a glass over the flame		
But I am sure we could see a new start		Don't let your heart grow cold		
So when (3) hopes on fire		I will call you by name		
But you know your desire		I will share your road		
Don't hold a (4) ove	r the flame	Hold me fast, (9) me fast		
Don't let (5) (6)	grow cold	'Cause I'm a (10)	wanderer	
I will call you by name		Hold me fast, hold me fast		
I will share your road		'Cause I'm a hopeless wanderer		
Hold me fast, hold me fast		I will learn		
'Cause I'm a hopeless wanderer		I will learn to love the skies I'm under		
Hold me fast, hold me fast		I will learn		
'Cause I'm a hopeless wanderer		I will learn to love the skies I'm under		
I wrestled long (7) my	youth	The skies I'm under		
We tried so hard to live in the truth				
But do not tell me all is fine
