

Fill in the gaps

Hopeless Wanderer by Mumford & Sons

You heard my voice	So leave that click in my head
I (1) out of the woods by choice	And I won't remember the (15) that you said
Shelter (2) gave their shade	You brought me out from the cold
But in the dark I have no name	Now, how I long, how I (16) to (17) old
So leave (3) click in my head	So when your hope's on fire
And I (4) remember the words that you said	But you (18) your desire
Left a (5) mind and a (6)	Don't (19) a glass over the flame
heart	Don't let your heart grow cold
But I am (7) we (8) see a new start	I (20) you by name
So when your (9) on fire	I will share your road
But you know your desire	Hold me fast, hold me fast
Don't hold a (10) over the flame	'Cause I'm a (22) wanderer
Don't let your heart grow cold	Hold me fast, (23) me fast
I will (11) you by name	'Cause I'm a hopeless wanderer
I will (12) your road	I will learn
Hold me fast, hold me fast	I will learn to (24) the skies I'm under
'Cause I'm a hopeless wanderer	I will learn
Hold me fast, hold me fast	I will (25) to love the skies I'm under
'Cause I'm a (13) wanderer	The skies I'm under
I wrestled long (14) my youth	
We tried so hard to live in the truth	
But do not tell me all is fine	
When I lose my head, I lose my spine
