

Fill in the gaps

Hopeless Wanderer by Mumford & Sons

You heard my voice	So (14) (15) click in my head
I came out of the (1) by choice	And I won't remember the words that you said
Shelter also gave their shade	You brought me out from the cold
But in the dark I (2) no name	Now, how I long, how I long to grow old
So (3) that click in my head	So when your hope's on fire
And I will remember the words (4) you said	But you (16) (17) desire
Left a clouded mind and a heavy heart	Don't hold a glass over the flame
But I am sure we could see a new start	Don't let your (18) grow cold
So (5) hopes on fire	I will call you by name
But you know (7) desire	I will share your road
Don't hold a (8) over the flame	Hold me fast, hold me fast
Don't let your heart grow cold	'Cause I'm a (19) wanderer
I (9) call you by name	Hold me fast, hold me fast
I will share your road	'Cause I'm a hopeless wanderer
Hold me fast, hold me fast	I will learn
'Cause I'm a hopeless wanderer	I will learn to love the (20) I'm under
Hold me fast, (10) me fast	I will learn
'Cause I'm a (11) wanderer	I will learn to (21) the (22) I'm under
I wrestled long (12) my youth	The skies I'm under
We tried so hard to (13) in the truth	
But do not tell me all is fine	
When I lose my head, I lose my spine
