

## Fill in the gaps

All of my life	And the bee's still following me
I've been running from the sting	All of my life
Stole the honey from the hive	I've been (17) from the sting
And the bee's still following me	Stole the honey from the hive
Lend (1) sugar to your neighbor	And the bee's (18) following me
Do a girl a favor	Why do good (19) happen to
I might (2) it later	Bad bad people?
I'm salt	Why do bad things happen to
It's (3) not my fault	Good good people?
My heart's on my t-shirt	Why do good things happen to
Maybe you (4) keep it	Bad bad people?
If the devil (5) a woman	Why do bad things happen to
I wouldn't have to run away	Good good people?
If the (6) were a woman	If the devil were a woman
Maybe she'd understand me	I wouldn't have to run away
All of my life	If the devil were a woman
I've been running from the sting	Maybe she'd understand me
Stole the honey from the hive	If the devil (20) a woman
And the bee's still following me	I wouldn't have to run away
All of my life	If the devil (21) a woman
I've been (7) from the sting	Maybe she'd (22) me
Stole the honey (8) the hive	Maybe she'd understand me
And the bee's still following me	All of my life
(One, open (9) heart, fly)	I've been (23) from the sting
(Two, (10) retreat see)	Stole the honey from the hive
(Three, go miss a long time)	And the bee's still following me
(Four, I will be dreaming)	All of my life
I, I (11) wanted something sweet	I've been running from the sting
And (12) in my kitchen	Stole the honey from the hive
So I had to look for something	And the bee's still, bee's still (24) me
So I took the (13) (14) traveled in	All of my life
A world so appetizing	I've been running, I've been running
I had to lick the icing	The bee's (25) following me
If the devil (15) a woman	(All of my life)
I wouldn't have to run away	(I've been running)
If the devil were a woman	And the bee's still following me
Maybe she'd (16) me	And the bee's still
All of my life	The bee's (26) following me
I've been running from the sting	
Stole the honey from the hive
