

 $\mbox{\sc l'm}$ in misery where you can seem

Fill in the gaps

The Mother We Share by CHVRCHES

Never took your side	As old as (13) omens
Never cursed (1) name	And the mother we share
I keep my lips shut tight	Will never keep your proud head from falling
Until you go	The way is long
We've (2) as far	But you can make it (14) on me
As we're ever gonna get	And the (15) we share
Until you realize	Will never keep our (16) hearts from calling
That you should go	Into the (17) for once
I'm in (3) you can seem	We're the only ones left
As old as (5) omens	I bet you even know
And the mother we share	Where we (18) go
Will never (6) (7) proud (8)	And when it all ***** up
(9) falling	You put (19) (20) in my hands
The way is long	It's a souvenir
But you can (10) it easy on me	For when you go
And the mother we share	I'm in misery (21) you can seem
Will never keep our cold hearts from calling	As old as your omens
In the dead of night	And the mother we share
I'm the only one here	Will never keep your proud head (22) falling
And I will cover you	The way is long
Until you go	But you can make it easy on me
'Cause if I told the truth	And the mother we share
I will always be free	Will never keep our (23) (24)
And keep a (11) me	(25) calling
Until you go
