## Loving You by Matt Cardle & Melanie C

Leave your door open	It's not enough for this heart
I wanna come over	Who do you think about when I'm not with you?
The night is only young	Does somebody hold you when you let me go?
I wanna get under your body	You can't hide, you can't lie
Take you over, come undone	'Cause baby I'm loving, loving, loving you
But why do we only (1) it up?	I could tell myself that I don't need you
Give it up in the dark	I could try to run away from the truth
'Cause I can't (2) thinking	I can't hide, I can't lie
It's not enough	'Cause baby I'm loving, loving, loving you
It's not enough for this heart	Would it change if I (6) you to stay?
Who do you think about when I'm not with you?	If I pulled, would it push you away?
Does somebody hold you when you let me go?	But it's (7) the chance I'll take
You can't hide, you can't lie	'Cause I (8) your loving
'Cause baby I'm loving, loving, loving you	Who do you (9) about when I'm not with you?
I could tell myself that I don't need you	Does somebody hold you when you let me go?
I could try to run away from the truth	You can't hide, you can't lie
I can't hide, I can't lie	'Cause baby I'm loving, loving, loving you
'Cause baby I'm loving, loving, loving you	I could tell myself that I don't need you
My (3) is open	I could try to run away from the truth
Come on over, the (4) is still young	I can't hide, I can't lie
I (5) get over your body	'Cause baby I'm loving, loving, loving you
Take you under, come undone	Baby I'm loving, loving, loving you
But why do we only give it up?	Baby I'm loving, loving, (10) you
Give it up in the dark
