I (1)	the candle was gonna go out	The (16) of	my
The wind was (2)	and the door was open	(17) empire	
But the candle never went out		And if I do all the things I do	
Never (3)	out	Well, I tell myself that I'm staying true	
The (4) found its way to the shore		Know I'll never stop	
I thought it was a ripple and nothing more		You know I'll never stop	
But the wave (5) its way all the way		You know I'll never (18) (19)	it
To the shore		Put an end to all (20) time	
(Oh oh) I wanna burn this house		That I would (21) with it on my mind	
I know, I wanna jump into the fire		You know it (22) stopped	
(Oh oh) (6)	got to tear (7) down	You know it never stopped	
The pinnacles of my	(8) empire	You (23) I (24)	
I know the (9)	(10) works twice	(25) about it	
All the distractions of the table		I wondered about the wonder	
And the (11) dice		(Oh oh no oh oh) I wear a rusting crown	
But the thrill of it feels so nice		I know this dynasty is falling	
You'd do it all again		The crowd shouts for (26) round	t
But I look to the (12) and lose	I see the ruin	
I'm standing on the platform		The spectacular	
With my (13) in the noose		Diamonds buried	
And I know it's not my time		Icebergs, the minarets	
It's not my time		And the marketplaces	
(Oh oh) I wanna (14) this house		The signal fires of my invisible empire	
I know, I wanna jump into the fire			
(Oh oh) I've got to (15) them down
