

## Fill in the gaps

I thought the candle was gonna go out
The wind was blowing and the door was open
But the candle never went out
Never (1) out
The wave found its way to the shore
I thought it was a ripple and nothing more
But the wave found its way all the way
To the shore
(Oh oh) I wanna burn this house
I know, I wanna (2) into the fire
(Oh oh) I've got to tear them down
The pinnacles of my invisible empire
I know the gamble never works twice
I know the gamble never works twice  All the (3) of the table
· ·
All the (3) of the table
All the (3) of the table And the weighted dice
All the (3) of the table  And the weighted dice  But the (4) of it feels so nice
All the (3) of the table  And the weighted dice  But the (4) of it feels so nice  You'd do it all again
All the (3) of the table And the weighted dice But the (4) of it feels so nice You'd do it all again But I look to the chips and lose
All the (3) of the table And the weighted dice But the (4) of it feels so nice You'd do it all again But I look to the chips and lose I'm standing on the platform
All the (3) of the table And the weighted dice But the (4) of it feels so nice You'd do it all again But I look to the chips and lose I'm standing on the platform With my neck in the noose
All the (3) of the table And the weighted dice But the (4) of it feels so nice You'd do it all again But I look to the chips and lose I'm standing on the platform With my neck in the noose And I know it's not my time
All the (3) of the table And the weighted dice But the (4) of it feels so nice You'd do it all again But I look to the chips and lose I'm standing on the platform With my neck in the noose And I know it's not my time It's not my time

The pinnacies of my invisible empire
And if I do all the things I do
Well, I tell myself that I'm staying true
Know (6) never stop
You know I'll never stop
You know I'll (7) think (8) it
Put an end to all this time
That I would spend with it on my mind
You know it (9) stopped
You know it never stopped
You know I always wondered (10) it
I wondered about the wonder
(Oh oh no oh oh) I wear a rusting crown
I know this dynasty is falling
The crowd shouts for another round
I see the ruin
The spectacular
Diamonds buried
Icebergs, the minarets
And the marketplaces
The signal fires of my invisible empire
