

Fill in the gaps

Lately	Cause my fire isn't gone
You've been (1) me down	You can chain me and shake me and (19) me
I won't lie	I'll only take it for so long
Kept my (2) on solid ground	So long
I won't die	Baby, baby you can see it how you want
l'm not (3) l'm (4)	But I'm aching, aching
(5) of you	You won't fight for (20) we've got
Of you	What I'm needing is healing
Maybe	Believe me
I'm not taking (6) but I'll fight	You kept me waiting for too long
For the love I see behind your eyes	For too long
You've been (8) but I'm looking for you	So come and get it
For you	Before its all gone
Baby, baby there's not refuge in your arms	So come and get it
You won't break me	Before I'm (21) gone
Break me 'cause my fire isn't gone	So (22) and get it
You can (9) me and shake me and	Before its all gone
(10) me	So come and get it
I'll (11) take it for so long	
So long	Before I'm long gone
Baby, baby you can see it how you want	Baby, (23) there's not refuge in (24)
But I'm aching, aching	arms
You won't (12) for what we've got	You won't break me, break me
What I'm needing is healing	'Cause my fire isn't gone
Believe me	You can chain me and shake me and change me
You (13) me waiting for too long	I'll only take it for so long
For too long	So long
So (14) and get it	Baby, (25) you can see it how you want
Before its all gone	But I'm aching, aching
So (15) and get it	You won't fight for what we've got
Before I'm long gone	What I'm (26) is healing
I know that (16) the truth is hard	Believe me
Need to make your next move	You kept me waiting for too long
Because	For too long
I'm not (17) you can't leave it to me	So come and get it
To me	
Baby, baby there's not refuge in (18) arms	
You won't break me, break me
