High And Dry by Radiohead

Fill in the gaps

Two jumps in a week	They're the ones who'll (6) at you
bet you think that's pretty clever	You will be the one screaming out
Don't you boy?	Don't leave me high
Flyin' on your motorcycle	Don't (7) me dry
Vatching all the ground beneath you drop	Don't leave me high
ou'd kill yourself for recognition	Don't (8) me dry
(ill yourself to never, (1) stop	(Oh)
ou (2) another mirror	It's the best thing that you've ever hard
ou're turning (3) something you are not	The best thing that you've ever, ever had
Oon't leave me high	It's the best thing (9) you've ever had
Oon't leave me dry	The best thing you have had has gone away
Oon't leave me high	So don't leave me high
Oon't leave me dry	Don't leave me dry
Orying up in conversation	Don't leave me high
ou will be the one who cannot talk	Don't leave me dry
All your insides fall to pieces	Don't leave me high
ou just sit there wishing you (4) still make love	Don't leave me high
They're the ones who'll hate you	Don't leave me dry
When you think you've got the world	
All (5) out
