

Fill in the gaps

Two (1) in a week	They're the ones who'll (7) at you
l bet you think that's pretty clever	You will be the one screaming out
Don't you boy?	Don't leave me high
Flyin' on your motorcycle	Don't leave me dry
Watching all the ground beneath you drop	Don't (8) me high
You'd kill (2) for recognition	Don't (9) me dry
Kill yourself to never, ever stop	(Oh)
You broke another mirror	It's the best thing that you've ever hard
You're turning into something you are not	The best thing that you've ever, ever had
Don't (3) me high	It's the best thing that you've ever had
Don't leave me dry	The best thing you have had has gone away
Don't leave me high	So don't leave me high
Don't leave me dry	Don't leave me dry
Drying up in conversation	Don't leave me high
You (4) be the one who cannot talk	Don't leave me dry
All your insides fall to pieces	Don't leave me high
You just sit there wishing you could still (5) love	Don't leave me high
They're the ones who'll (6) you	Don't (10) me dry
When you think you've got the world	
All sussed out
