In the still of the night
I hear the wolf howl, honey
Sniffing around your door
In the still of the night
I feel my heart beating heavy
Telling me I gotta have more
In the shadow of night
I see the full moon rise
Telling me what's in store
My heart start aching
My body start a-shaking
And I can't take no more
No, no
Now I just wanna get close to you
An' taste your love so sweet
And I just wanna make love to you
Feel your body heat
