

Fill in the gaps

You Belong With Me by Taylor Swift

You're on the phone (1) your girlfriend, she's upset	If you could see (20) I'm the one who
She's going off about something (2) you said	(21) you
'Cause she doesn't get your humor like I do	Been here all along, so why can't you see?
I'm in the room, it's a typical Tuesday night	You belong with me
I'm listening to the kind of music she doesn't like	Standing by and waiting at your back door
And she'll never (3) your (4) like I do	All this time how could you not know?
But she wears short skirts, I (5) T-shirts	Baby, you belong with me, you (22) with me
She's (6) Captain and I'm on the bleachers	Oh, I remember you driving to my house in the
Dreaming (7) the day when you (8)	(23) of the night
up and find	I'm the one who makes you laugh when you know you're 'bout
That what you're looking for has (9) here the whole	to cry
time	And I know your favorite songs and you tell me 'bout your
If you could see that I'm the one who	dreams
(10) you	Think I know where you belong, think I know it's with me
Been (11) all along, so why can't you see?	Can't you see that I'm the one who understands you?
You, you belong with me, you belong with me	Been here all along, so why can't you see?
Walking the streets with you and your worn-out jeans	You belong with me
I can't help thinking (12) is how it ought to be	Standing by and (24) at (25)
Laughing on a (13) bench, thinking to myself	back door
Hey, isn't this easy?	All this time, how could you not know?
And you've got a smile that could light up this whole town	Baby, you (26) with me, you belong with me
I haven't seen it in a while since she (14)	You belong with me
you down	Have you ever thought (27) maybe
You say you're fine, I know you (15)	You belong (28) me?
(16) that	You belong with me
Hey, what ya doing with a girl like that?	
She (17) high heels, I wear sneakers	
She's Cheer Captain and I'm on the bleachers	
Dreaming about the day when you (18) up and find	
That what you're looking for has been here the	
(19) time
