## Miserable At Best by Mayday Parade

Katie, don't cry, I know	'Cause nothing feels like home
You're trying your hardest	You're a thousand miles away
And the hardest part is letting go	And the hardest (5) of living is just
Of the (1) we shared	Taking breaths to stay
Ocala is calling and you know it's haunting	'Cause I know I'm (6) for something
But compared to your eyes	I just haven't found it yet
Nothing shines quite as bright	But I need it
And when we look to the sky	So let's not pretend like you're alone tonight
It's not mine, but I (2) it so	I know he's there and
Let's not pretend like you're alone tonight	You're (7) (8) out and
I know he's there and	making eyes
You're probably hanging out and making eyes	While across the room, he stares
While across the room, he stares	I'll bet he (9) the nerve to walk the floor
I'll bet he (3) the nerve to walk the floor	And ask my girl to dance
And ask my girl to dance	She'll say yes
She'll say yes	Because these words were never easier
Because these (4) were never easier	For me to say
For me to say	Or her to second guess
Or her to second guess	But I guess
But I guess	That I can live without you but
That I can live without you but	Without you I'll be miserable
Without you I'll be miserable at best	And I can live without you but
You're all that I hoped I'd find	Without you I'll be miserable
In every single way	And I can live without you but
And everything I would give	(Oh) without you I'll be (10) at best
Is everything you couldn't take
