Fill in the gaps

Miserable At Best by Mayday Parade

Katie, don't cry, i know	Cause nothing reels (15) nome
You're (1) hardest	You're a thousand miles away
And the hardest part is letting go	And the hardest part of (16) is just
Of the nights we shared	Taking (17) to stay
Ocala is calling and you know it's haunting	'Cause I know I'm good for something
But compared to your eyes	I (18) haven't found it yet
Nothing (3) quite as bright	But I (19) it
And when we look to the sky	So let's not pretend (20) you're (21)
It's not mine, but I want it so	tonight
Let's not (4) (5) you're alone	I know he's there and
tonight	You're probably hanging out and making eyes
I (6) he's (7) and	While across the room, he stares
You're (8) hanging out and making eyes	I'll bet he gets the (22) to walk the floor
While across the room, he stares	And ask my girl to dance
I'll bet he gets the (9) to walk the floor	She'll say yes
And ask my girl to dance	Because these words were never easier
She'll say yes	For me to say
Because (10) words were never easier	Or her to (23) guess
For me to say	But I guess
Or her to second guess	That I can live without you but
But I guess	Without you I'll be miserable
That I can (11) without you but	And I can (24) without you but
Without you I'll be miserable at best	Without you I'll be miserable
You're all (12) I hoped I'd find	And I can live without you but
In (13) single way	(Oh) without you I'll be miserable at best
And (14) I would give	
Is everything you couldn't take	

1. trying
