Fill in the gaps

Miserable At Best by Mayday Parade

Katie, don't cry, I know	Cause nothing feels like home	
You're trying (1) hardest	You're a (6) (7) away	,
And the hardest part is letting go	And the (8) part of living is just	
Of the nights we shared	Taking breaths to stay	
Ocala is calling and you know it's haunting	'Cause I know I'm (9) for something	
But compared to your eyes	I just haven't found it yet	
Nothing shines quite as bright	But I need it	
And when we look to the sky	So let's not pretend like you're alone tonight	
It's not mine, but I want it so	I know he's there and	
Let's not pretend like you're alone tonight	You're probably hanging out and (10) ey	/es
I know he's (2) and	While across the room, he stares	
You're probably (3) out and making eyes	I'll bet he gets the nerve to walk the floor	
While across the room, he stares	And ask my girl to dance	
I'll bet he (4) the nerve to walk the floor	She'll say yes	
And ask my girl to dance	Because these words were never easier	
She'll say yes	For me to say	
Because these words were never easier	Or her to second guess	
For me to say	But I guess	
Or her to second guess	That I can live without you but	
But I guess	Without you I'll be miserable	
That I can (5) without you but	And I can live without you but	
Without you I'll be miserable at best	Without you I'll be miserable	
You're all that I hoped I'd find	And I can live without you but	
In every single way	(Oh) without you I'll be miserable at best	
And everything I would give		
Is everything you couldn't take
