

Fill in the gaps

I Need Your Love by Calvin Harris & Ellie Goulding

I need your love	I try to fight this but I (17) I'm not that strong
I (1) time	And I feel so helplessly
When everything's wrong	Watch my (18) are (19) with fea
You make it right	Tell me do you feel the same
I feel so high	Hold me in your (20) again
I come alive	I need (21) love
I need to be free with you tonight	I need your time
I need your love	When everything's wrong
I need (3) love	You (22) it right
I (4) a deep breath everytime I pass your door	I feel so high
I know you're (5) but I can't see you anymore	I (23) alive
And that's the reason	I need to be (24) with you tonight
You're in the dark	I need your love
I've been a stranger (6) since we fell apart	I need your love
And I feel so helplessly	All the years, all the times
Watch my (7) are filled with fear	You were never been to blame
Tell me do you feel the same	And now my eyes are open
Hold me in your arms again	And now my heart is (closing)
I (8) love	And all the tears, all the lies, all the waste
I (10) your time	I've been trying to make it change
When everything's wrong	And now my eyes are open
You make it right	I (25) your love
I feel so high	I need (26) time
I come alive	When everything's wrong
I (11) to be free with you tonight	You make it right
I need (12) love	I feel so high
I need your love	I come alive
Now I'm dreaming, will I ever (13) you now	I need to be free
I walk in (14) but I'll (15)	
(16) out	
What I mean to you	
Do I belong
