

Who's to say we won't survive it too

Fill in the gaps

Fight the fight alone	On (11) (12) I'm falling
When the world is full of victims	And it won't be long
Dims a fading light in our souls	The skin on me is burning
_eave the peace alone	By the fires of the sun
How we all are (1) changing	On (13) knees I'm bleeding
Dims a (2) (3) in our souls	And it won't be long
n my (4) seeing is to know	I've got to (14) that meaning
The things we (5) are always first to go	And I'll (15) for so long
And who's to say we won't end up alone	Set a-free all
On broken wings I'm falling	Relying on their will
And it won't be long	To make me all that I am
The skin on me is burning	And all that I'll be
By the fires of the sun	Set a-free all
On skinned knees I'm bleeding	Will (16) between the cracks
And it won't be long	With memories of all that I am
've got to (6) that meaning	And all that I'll be
And I'll search for so long	On broken wings I'm falling
Cry ourselves to sleep	And it won't be long
Ne will sleep alone forever	The (17) on me is burning
Will you lay me down	By the fires of the sun
n the same place (7) all I love	On skinned (18) I'm bleeding
Mend the broken homes	And it won't be long
Care for (8) they are our brothers	I've got to find that meaning
Save the fading (9) in our souls	And I'll (19) for so long
n my opinion seeing is to know	
What you give will (10) carry you	

- 1. slowly
