

Fill in the gaps

You Are More by Tenth Avenue North

There's a girl in the corner		You've been remade
With tear (1)	on her eyes	You are more than the choices (10) you've made
From the (2)	she's wandered	You are (11) (12) the sum of your pas
And the shame she can't hide		mistakes
She says, "How did I get here?		You are more than the problems you create
I'm not who I (3) was		You've been remade
And I'm crippled by the fear		'Cause this is not (13) what you've done
That I've fallen too far to love"		But what's been (14) for you
But don't you (4)	who you are	This is not about (15) you've been
What's been done for you?		But where your brokenness (16) you to
Yeah, don't you know who you are?		This is not (17) what you feel
You are more than the choices that you've made		But what he felt to (18) you
You are more than the sum of your past mistakes		And what he felt to make you loved
You are more than the problems you create		You are (19) than the choices that you've made
You've been remade		You are (20) (21) the sum of
Well she tries to believe it		(22) past mistakes
That she's been given new life		You are (23) than the problems you create
But she can't shake the feeling		You've (24) remade
That it's not (5) tonight		You are more than the choices (25) you've made
She (6) all the answers		You are more than the sum of your (26) mistakes
And she's rehearsed all the lines		You are (27) (28) the problems you
And so she'll try to do better		create
But then she's too weak to try		You've been remade
But don't you know who you are?		You've been remade
You are more than the (7))(8)	You've been remade
you've made		You've been remade
You are (9) than the sum of your past mistakes		You've been remade
You are more than the problem	lems you create
