

Fill in the gaps

Forever And Always by Taylor Swift

Once upon a time, I believe it was a Tuesday	And I stare at the phone and he still hasn't called
When I caught (1) eye	And then you feel so low, you can't feel nothin' at all
And we caught (2) something, I hold on to the night	And you (11) to when he
You looked me in the eye and told me you (3)	(12) (13) and always
me	Oh, oh
Were you just kidding? 'Cause it seems to me	Oh, and it rains in your bedroom, everything is wrong
This thing is breaking down, we almost never speak	It rains when you're here and it rains when you're gone
don't (4) welcome anymore	'Cause I was there when you said forever and always
Baby, (5) happened? Please tell me	You didn't mean it, baby, I don't think so
Cause one (6) it was perfect	Oh, oh
Now you're halfway out the door	Oh, (14) up, baby, (15) up, did you
And I (7) at the phone and he still hasn't called	forget everything?
And then you (8) so low, you can't feel nothin' at all	Back up, baby, (16) up, did you forget everything?
And you flashback to when he said, forever and always	'Cause it rains in your bedroom, everything is wrong
Oh, oh	It rains when you're here and it rains (17) you're
Oh, and it rains in your bedroom, everything is wrong	gone
t rains (9) you're here and it rains when you're	'Cause I was there when you (18)
gone	(19) and always
Cause I was there when you said forever and always	Oh, I stare at the (20) and he still hasn't called
Was I out of line? Did I say something way too honest	And (21) you (22) so low, you can't
That made you run and hide like a scared little boy?	(23) nothin' at all
looked into your eyes, thought I knew you for a minute	And you (24) to when we said foreve
Now I'm not so sure	and always
So here's to everything, coming down to nothing	And it rains in your bedroom, (25) is
Here's to silence that (10) me to the core	wrong
Where is this going? Thought I knew for a minute	It rains when you're here and it rains when you're gone
But I don't anymore	'Cause I was there when you (26) forever and
	always
	You didn't mean it, baby, you said forever and always
