

Fill in the gaps

Forever And Always by Taylor Swift

Once upon a time, I believe it was a Tuesday	And
When I caught your eye	And
And we caught onto something, I hold on to the night	And
You looked me in the eye and told me you loved me	Oh,
Were you just kidding? 'Cause it (1) to me	Oh, a
This thing is breaking down, we almost never speak	It rai
I don't feel welcome anymore	gone
Baby, (2) happened? Please tell me	'Cau
'Cause one second it was perfect	You
Now you're halfway out the door	Oh,
And I (3) at the phone and he still hasn't called	Oh, I
And then you feel so low, you can't feel nothin' at all	Back
And you flashback to when he said, forever and always	ever
Oh, oh	'Cau
Oh, and it rains in your bedroom, everything is wrong	It rai
It rains when you're here and it (4) when you're	'Cau
gone	Oh, l
'Cause I was there when you said forever and always	And
Was I out of line? Did I say something way too honest	And
That made you run and hide like a scared little boy?	And
I looked into your eyes, thought I knew you for a minute	It (9
Now I'm not so sure	gone
So here's to everything, (5) down to nothing	'Cau
Here's to silence that cuts me to the core	alwa
Where is this going? Thought I knew for a minute	You
But I don't anymore	

And I stare at the phone and he still hash t called
And then you feel so low, you can't feel nothin' at all
And you flashback to when he said forever and always
Oh, oh
Oh, and it rains in your bedroom, everything is wrong
It rains (6) you're here and it rains when you're
gone
'Cause I was there when you said forever and always
You didn't mean it, baby, I don't think so
Oh, oh
Oh, back up, baby, back up, did you forget everything?
Back up, baby, back up, did you (7)
everything?
'Cause it rains in your bedroom, everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said forever and always
Oh, I stare at the phone and he still hasn't called
And (8) you feel so low, you can't feel nothin' at all
And you flashback to when we said forever and always
And it rains in your bedroom, everything is wrong
It (9) when you're here and it rains when you're
gone
'Cause I was (10) when you said forever and
always
You didn't mean it, baby, you said forever and always
