

Fill in the gaps

A million miles away	But still inside a whisper to a riot
Your signal in the distance	To sacrifice but knowing to survive
To whom it may concern	The first to climb (16) state of mind
I (1) I lost my way	I'm on my knees, I'm (17) for a sign
Getting good at (2) over	Forever, whenever
Every (3) that I return	I never wanna die
I'm learning to (4) again	I never (18) die
I believe I've waited long enough	I never (19) die
Where do I begin?	I'm on my knees
I'm learning to talk again	I never wanna die
Can't you see I've (5) long enough	I'm dancing on my grave
Where do I begin?	I'm running (20) the fire
Do you remember the days	Forever, whenever
We (6) (7) (8)	I never wanna die
mountains	I never wanna leave
Then sat and (9) (10) burn	I (21) say goodbye
I think I (11) my place	Forever, whenever
Can't you feel it growing stronger	Forever, whenever
Little conquerors	I'm learning to walk again
I'm learning to (12) again	I believe I've (22) long enough
I believe I've waited long enough	Where do I begin?
Where do I begin?	I'm learning to talk again
I'm learning to talk again	Can't you see I've waited (23) enough
I believe I've (13) long enough	Where do I begin?
Where do I begin?	I'm learning to walk again
Now	I believe I've (24) (25) enough
For the very first time	I'm learning to talk again
Don't you pay no mind	Can't you see I've waited long enough
Set me free	
Again
