Fill in the gaps

Man In The Mirror by Michael Jackson

(Ooh ooh ooh aah)
I'm gonna make a change
For once in my life
It's (1) feel real good
Gonna make a difference
Gonna make it right
As I (2) up the collar on
My favorite (3) coat
This wind is (4) my mind
see the kids in the street
With not enough to eat
Who am I to be blind
Pretending not to see their need
A summer's disregard
A broken (5) top
And a one man's soul
They follow each other on the wind ya' know
Cause they got nowhere to go
That's why I want you to know
I'm starting with the man in the mirror
I'm asking him to change his ways
And no message (6) have been any clearer
If you wanna (7) the world a better place
Take a look at (8) and then make a change
(Na na na, na na na na na na oh ho)
I've been a (9) of
A selfish kinda love
It's (10) that I realize

There are some with no home

Fill in the gaps

Not a nickel to loan
Could it be really me
Pretending that they're not alone
A willow deeply scarred
Somebody's broken heart
And a washed out dream (washed out dream)
They follow the pattern of the wind ya see
'Cause (11) got no place to be
That's why I'm starting with me
I'm starting with the man in the mirror
I'm asking him to change his ways
And no (12) could have (13) any clearer
If you wanna make the world a better place
Take a look at (14) and (15) make a change
I'm starting with the man in the mirror
I'm (16) him to change his ways
And no (17) could have been any clearer
If you (18) make the world a (19) place
Take a look at yourself and then make that change
I'm starting with the man in the mirror
(Oh yeah)
I'm asking him to change his ways, yeah
(Better change)
No message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make the change
You gotta get it right, (20) you got the time
'Cause when you close (21) heart
You can't close your, your mind
That man
