

But I'm here in my mold

## Bitter Sweet Symphony by The Verve

'Cause it's a bittersweet symphony, this life	I am (8) in my mold
Trying to make ends meet	And I'm a million (9) people
You're a slave to money then you die	From one day to the next
I'll take you down the only road I've ever (1) down	I can't change my mold
You know the one that (2) you to the places	No, no, no, no
Where all the veins meet, yeah	I can't change and you know
No change, I can change	I can't (10) it
I can change, I can change	'Cause it's a bittersweet symphony, this life
But I'm here in my mold	Trying to (11) (12) meet
I am here in my mold	Trying to find some money then you die
But I'm a million different people	You know I can change, I can change
From one day to the next	I can change, I can change
I can't change my mold	But I'm (13) in my mold
No, no, no	I am here in my mold
Well, I've never prayed	And I'm a (14) different people
But (3) I'm on my knees, yeah	From one day to the next
I (4) to hear some sounds	I can't change my mold
That recognize the (5) in me, yeah	No, no
I let the melody shine	No, no, no
Let it cleanse my mind, I (6) free now	
But the air waves are clean	I'll take you down the only road I've ever been down
And there's nobody (7) to me now	I'll take you down the only (15) I've ever been
No change, I can change	down
I can change, I can change
