But I'm (5)_____ in my mold

Fill in the gaps

Bitter Sweet Symphony by The Verve

'Cause it's a (1)	symphony, this	I am here in my mold	
life		And I'm a million different people	
Trying to make ends meet		From one day to the next	
You're a slave to money then you die		I can't change my mold	
I'll take you down the only road I've ever been down		No, no, no, no	
You (2) the one	that takes you to the places	I can't (6) and you know	
Where all the veins meet, yeah		I can't change it	
No change, I can change		'Cause it's a bittersweet symphony, this life	
I can change, I can change		Trying to make ends meet	
But I'm here in my mold		Trying to find some money (7) you die	
I am here in my mold		You know I can change, I can change	
But I'm a million (3) people		I can change, I can change	
From one day to the next		But I'm (8) in my mold	
I can't change my mold		I am here in my mold	
No, no, no		And I'm a million different people	
Well, I've never prayed		From one day to the next	
But tonight I'm on my knees, yeah		I can't change my mold	
I need to hear some sounds		No, no	
That recognize the pain in me, yeah		No, no, no	
I let the melody shine			
Let it (4)	my mind, I feel free now	I'll take you down the only road I've ever (9) o	down
But the air waves are clean		I'll take you down the only road I've ever been down	
And there's nobody singing to me now			
No change, I can change			
I can change, I can change
