

In my life

## Fill in the gaps

## I Want To Know What Love Is (Cover) by Mariah Carey

I gotta take a little time	There's been heartache and pain
A little time to think things over	I don't know
I better read between the lines	If I can face it again
In (1) I need it when I'm colder	Can't stop now
In my life	I've traveled so far
There's been heartache and pain	To change this lonely life
I don't know	I wanna know what love is
If I can face it again	I want you to show me
Can't (2) now	I wanna feel what (7) is (feel what (8)
I've traveled so far	is)
To change this lonely life	And I know you can show me
I (3) know what love is	Show me, I wanna know
I want you to show me	I wanna know what love is (I wanna know)
I (4) feel what love is	I want you to show me (and I feel you so much love)
I (5) you can show me	I wanna feel what love is
I'm gonna take a little time (take a little time)	And I know you can show me
A little time to look around me (oh)	I wanna (9) what love is
I've got nowhere left to hide (nowhere (6) to hide)	(Oh) let's talk about love
It looks like love's finally found me (oh)	I want you to show me
