

## Fill in the gaps

One day	And (10) great, great, great granddaughter
When I came home	Is doing fine
At lunchtime	Doing fine
I (1) a funny noise	I took a trip to the year 3000
Whet out	This song had gone multi platinum
To the backyard	Everybody bought our seventh album
To find out	It had outsold Kelly Clarkson
If it was one of those rowdy boys	I took a trip to the year 3000
Stood there	This song had gone multi platinum
With my neighbor	Everybody (11) our (12)
Called Peter	album
And a flux capacitor	He (13) me he built a time machine
He told me he built a (2) machine	Like the one in the film I've seen
Like the one in the film I've seen	Yeah
Yeah	I've been to the year three thousand
He said	Not much has changed but (14) lived under water
I've been to the year three thousand	And (15) great, great, (16)
Not much has changed but (3) lived	granddaughter
(4) water	Is (17) fine
And your great, great granddaughter	Doing fine
Is doing fine	
Doing fine	He said
He took me	I've been to the (18) three thousand
To the future	Not much has changed but they lived under water
In the flux thing	And your great, great, (19) granddaughter
And I saw everything	Is doing fine (is doing fine, is doing fine)
Boybands	He said
And another one	I've been to the (20) (21) thousand
And another one	Not much has changed but (22) lived under water
And (5) one	And your great, great granddaughter
Girls there	Is doing fine
With (6) hair	Doing fine
Like star wars	He said
Float above the floor	I've been to the year three thousand
We (7) around in a time machine	Not (23) has changed but they lived
Like the one in the (8) I've seen	(24) water
Yeah	And your great (25) (26)
(Oh)	granddaughter
He said	Is doing fine
I've been to the year three thousand	Doing fine
Not much has (9) but they lived under	(Ha)
water
