Remember December by Demi Lovato

reer a separation coming on	Don't let (13) memories get (14)
Cause I know you want to be moving on	behind
I wish it (1) (2) tonight	Don't surrender, surrender
You'd pull me in, avoid a fight	Please remember, (15) December
Cause I feel a separation coming on	We were so in (16) back then
Just (3) that there is nothing (4) to try	Now you're (17) to what they say
Cause the truth, I rather we (5) both deny	Don't go that way
You kissed me with those (6) eyes	Remember, remember December
It says so much, it's no surprise to you	Please remember
But I've got something left to say	I remember, us together
Don't surrender, surrender	We both (18) that forever
Please remember, remember December	We could do this, fight the pressure
We were so in love back then	Please remember, December
Now you're listening to (7) (8) say	Don't surrender, surrender
Don't go (9) way	Please remember, (19) December
Remember, remember December	We (20) so in love back then
Please remember	Now you're (21) to (22)
Don't surrender	they say
Did you say?	Don't go that way
You wouldn't let them (10) your mind	Remember, remember December
Cause (11) we're (12) fire	Please remember
melts the ice	Don't surrender
Our hearts are both on overdrive
