Fill in the gaps

Remember December by Demi Lovato

I feel a separation coming on	Don't let these memories get left behind
'Cause I know you want to be (1) on	Don't surrender, surrender
I wish it would snow tonight	Please remember, remember December
You'd pull me in, avoid a fight	We were so in love back then
'Cause I feel a (2) coming on	Now you're listening to what they say
Just prove that there is (3) left to try	Don't go that way
'Cause the truth, I rather we just both deny	Remember, remember December
You (4) me with those open eyes	Please remember
It says so much, it's no surprise to you	I remember, us together
But I've got something left to say	We (7) promised that forever
Don't surrender, surrender	We could do this, fight the pressure
Please remember, remember December	Please remember, December
We were so in love (5) then	Don't surrender, surrender
Now you're listening to what they say	Please remember, (8) December
Don't go that way	We were so in love back then
Remember, remember December	Now you're listening to what (9) say
Please remember	Don't go that way
Don't surrender	Remember, remember December
Did you say?	Please remember
You wouldn't let them change your mind	Don't surrender
'Cause when we're together fire melts the ice	
Our hearts are both on overdrive	
Come (6) me, let's run tonight	

- 1. moving
- 2. separation
- 3. nothing
- 4. kissed
- 5. back
- 6. with
- 7. both
- 8. remember
- 9. they
