

He gives me love

Fill in the gaps

All The Man That I Need by Whitney Houston

I used to cry myself to (1) at night	More (13) than I've ever seen
But that was all before he came	He's all I've got
I (2) love had to (3) to	He's all I've got in this world
(4) out right	But he's all the man (14) I need
But now he's here	He fills me up
It's not the same	He (15) me love
It's not the same	More love (16) I've ever seen
He fills me up	He's all I've got
He gives me love	He's all I've got in this world
More (5) than I've (6) seen	But he's all the man (17) I need
He's all I've got	He (18) me up
He's all I've got in (7) world	He gives me love
But he's all the man that I need	More, more love, more love, more love
And in the morning when I (8) his eyes	More love
He takes me (9) and (10) me slow	He's all I've got
An in the evening when the (11) is high	He's all I've got in (19) world
He (12) me close	But he's all the man, all the man
And won't let go	
He won't let go	
He fills me up
