Suzanne takes you (1) to her place near the river	He sank beneath your wisdom (5) a stone
You can hear the boats go by	And you want to travel with him
You can spend the night beside her	You want to travel blind
And you know, she's half crazy	And you know he will find you
It's why you want to be there	For he's (6) your perfect body with his mind
She feeds you tea and oranges	Suzanne takes your hand now
That come all the way from China	And she (7) you to the river
And just when you mean to tell her	She is wearing rags and feathers
You have no love to give her	From Salvation (8) counters
She gets you on her wavelength	And the sun pours down like honey
And she lets the river answer	On our, our lady of the harbor
You've always been her lover	She (9) you where to look
And you want to travel with her	Among the garbage and the flowers
And you want to travel blind	There are heroes in the seaweed
And know she will trust you	There are children in the morning
For you've touched her perfect body with your mind	They are leaning out for love
Jesus was a sailor	And they will lean (10) way forever
When He walked upon the water	While Suzanne holds the mirror
And He spent a long time watching	And you want to travel with her
From His lonely wooden tower	You want to travel blind
And (2) He knew for certain	And you know she'll find you
Only drowning men could see Him	For she's touched your perfect body with her mind
He said,"All men will be sailors then	
Until the sea (3) free them"	
But He, Himself was broken	
Long before the sky would open	
Forsaken, (4) human
