

Fill in the gaps

Suzanne takes you down to her place near the river
You can hear the boats go by
You can spend the night beside her
And you know, she's half crazy
It's why you want to be there
She feeds you tea and oranges
That come all the way from China
And just when you mean to tell her
You have no love to give her
She gets you on her wavelength
And she lets the river answer
You've always been her lover
And you want to (1) with her
And you (2) to (3) blind
And know she will trust you
For you've touched her perfect body (4) your mind
Jesus was a sailor
When He (5) upon the water
And He spent a long time watching
From His lonely wooden tower
And when He knew for certain
Only drowning men could see Him
He said,"All men will be sailors then
Until the sea shall free them"
But He, Himself was broken
Long before the sky would open

Forsaken, almost human

He sank (6) your wisdom like	a stone
And you want to travel with him	
You want to travel blind	
And you know he will find you	
For he's touched your perfect (7) with	his mind
Suzanne (8) your hand now	
And she leads you to the river	
She is wearing rags and feathers	
From Salvation Army counters	
And the sun pours down like honey	
On our, our lady of the harbor	
She shows you where to look	
Among the garbage and the flowers	
There are (9) in the seaweed	
There are children in the morning	
They are leaning out for love	
And they will lean that way forever	
While Suzanne holds the mirror	
And you want to travel with her	
You (10) to travel blind	
And you know she'll find you	
For she's touched your perfect body with her min	nd
