	For you, baby
I'm hot, you're cold	Slipping into the lava
You go around like you know	And I'm trying to (5) (6) going under
Who I am, but you don't	Baby who (7) the temperature hotter
You've got me on my toes	'Cause I'm burnin' up, burnin' up
I'm (1) into the lava	For you, baby
And I'm trying to keep from going under	Said we're burnin' up in this place tonight
Baby who turned the temperature hotter	The brothers (8) loud
'Cause I'm burnin' up, burnin' up	And we're (9) right
For you, baby	Get up and dance
Come on, girl	Don't try and fight it
I (2) (I fell)	Big Rob is for real
So fast (so fast)	And that's no lie
Can't hold myself back	Stop, drop and roll
High heels (high heels)	And touch the floor
Red dress (red dress)	It keeps on burnin' up
All by yourself	More and more
Gotta catch my breath	I got JB with me laying it down
I'm slipping into the lava	Come on boys, bring the chorus around
And I'm (3) to keep from going under	I'm (10) into the lava
Baby who turned the temperature hotter	Burnin' up, burnin' up
'Cause I'm burnin' up, burnin' up	And I'm trying to keep from going under
For you, baby	Yeah
Walk in the room	Baby who turned the temperature hotter
All I can see is you	Yeah, come on
(Oh)	'Cause I'm burnin' up, burnin' up
Staring me down	For you, baby
