I make the most of all the stress	Can (13) stop the noise?
I try to (1) without regrets	I don't (14) what it is but I (15) don't fit
But I'm about to break a sweat	Consider me destroyed
I'm freaking out	I don't (16) how to act 'cause I lost my head
It's like a poison in my brain	I must be paranoid (I must be paranoid)
It's like a fog that blurs the sane	I never thought it (17) (18) to this
It's like a (2) you can't untangle	I'm paranoid
I'm freaking out	Stuck in the room (19) staring faces
Everytime I turn around	(Yeah)
Something don't feel right	Caught in a nightmare can't wake up
Just might be paranoid	If you hear my cry
I'm (3) the lines	Running (20) the street
'Cause they just might split	I'm (21) to freak
Can someone stop the noise?	Come and rescue me
I don't know (4) it is but I (5) don't fit	Just might be paranoid
I'm paranoid	(Yeah)
Yeah	I'm avoiding the lines
I take the necessary steps	'Cause they (22) (23) split
To get some air into my chest	Can someone stop the noise?
I'm taking all the doctor's med	(Can someone stop the noise?)
I'm still freaking out	I don't know (24) it is but I just don't fit
That's why my ex is still my ex	Consider me destroyed (consider me destroyed)
I (6) a (8) she says	I don't (25) how to act 'cause I (26) m
I'm running all the (9) checks	head
And she's freaking out	I must be paranoid (I must be paranoid)
Everytime I (10) around	I never thought it would (27) to this
Something's just not right	I'm paranoid
Just might be paranoid	
I'm avoiding the lines	
'Cause they (11) (12) split
