

## Fill in the gaps

I've (1) (2	e) around	Waging (6) to shape the poet and the beat
Always (3)	down at all I see	I hope it's gonna make you notice
Painted faces, fill the	places I can't reach	I hope it's gonna make you notice
You know (4)	I could use somebody	Someone like me
You know that I (5)_	use somebody	Someone like me
Someone like you, Ar	nd all you	Someone like me, somebody
know, And how you s	peak	Someone like you, use somebody
Countless lovers und	er cover of the street	Someone (7) you, use somebody
You know that I could	d use somebody	Someone like you, use somebody
You know that I could	d use somebody	I've (8) roaming around,
Someone like you		Always looking down at all I see
Off in the night, while	you live	
it up, I'm off to sleep
