If time was still the sun	We're (6) stars to lose our shadow
Would never, never (1) us	Peter Pan and Wendy turned out fine
We could light up	So won't you fly with me
The sky tonight	Maybe you (7) just afraid
I (2) see the world through your eyes	Knowing you (8) miles away
And leave it all behind	From the place where you needed to be
If it's you for me forever	And that's right here with me
If it's you and me right now that'd be alright	It's you and me forever
Be alright	You and me (9) now that'd be alright
We're chasing (3) to lose our shadow	If it's you for me forever
Peter Pan and Wendy turned out fine	If it's you and me right now I'd be alright
So won't you fly (4) me	Be alright
Oh yeah	We're chasing stars to (10) our shadow
Gonna fly with me now	Peter Pan and Wendy turned out fine
Now the (5) is come	So won't you fly
Alive and given meaning and a reason	Fly
To give all I can	Fly
To believe once again	With me
If it's you for me forever	
If it's you and me right now that'd be alright	
Be alright
