Baby you a song	So baby you a song
You make me wanna roll my windows down	You make me wanna roll my windows down
And cruise	And cruise
Hey baby	When that summer sun fell to its knees
Yeah, when I first saw that bikini top on her	I looked at her and she looked at me
She's poppin' (1) out of the South Georgia water	And I turned on those KC lights and drove all night
Thought, oh, good lord	'Cause it felt so right, her and I, man we felt so right
She had them long tanned legs	I put it in park and grabbed my guitar
Couldn't help myself so I walked up and said	And strummed a couple chords
Baby you a song	And (6) from the heart
You make me wanna roll my windows down	Girl you sure got the beat in my chest bumpin'
And cruise	Hell I can't get you out of my head
Down a back road blowin' stop	Baby you a song
Signs through the middle	You make me wanna roll my windows down
Every little farm town with you	And cruise
n this brand new Chevy with a lift kit	Down a back road (7) stop
Nould look a hell lot better with you up in it	Signs through the middle
So baby you a song	Every little farm town with you
You make me wanna roll my windows down	Baby you a song
And cruise	You make me wanna roll my windows down
She was sippin' on southern	And cruise
And singin' Marshall Tucker	Down a back (8) blowin' stop
We were falling in love	Signs through the middle
n the sweet heart of summer	Every little farm town with you
She hopped right up	In this brand new Chevy (9) a lift kit
nto the cab of my (2) and said	Would look a hell lot better with you up in it
Fire it up, let's go get this thing stuck	Come on
Baby you a song	Baby you a song
You make me wanna roll my windows down	You make me wanna roll my windows down
And cruise	And cruise
Down a back (3) blowin' stop	Come on girl
Signs through the middle	Get those windows down and cruise
Every (4) farm (5) with you	(Aww yeah)
n this brand new Chevy with a lift kit
