

Fill in the gaps

Don't work if you're not around

Was gonna give you (1) flowers tonight	So tell me what am I gonna do with forever now?
Was gonna ask you to stay	What do I do now?
Practiced so that I would say it just right	Everything you said we would be
But now there are no words to say	All the (5) you (6) we do
As I watch you kiss him softly	I will run my life around the thought of me and you
The same way you kissed me	And I (7) what am I gonna do with forever
Ask me what am I gonna do with forever now?	now?
Tell me what am I gonna do with forever now?	(What do I do what do I do?)
(Oh oh)	Tell me what am I gonna do with forever now?
All the plans we've made	(What do I do what do I do?)
Don't work if you're not around	All the plans we've made
So tell me what am I gonna do with forever now?	Don't work if you're not around
What do I do now?	So tell me (8) am I gonna do (9) forever
What do I do now?	now?
In slow (2) I let these flowers hit the ground	What do I do now?
And right before I turn to leave	What do I do now?
I watch you kiss him softy (3) look up and see me	What do I do now?
And I scream what am I gonna do with forever now?	What do I do, (10) do I do now?
	What do I do now?
Tell me (4) am I gonna do with forever now?	What do I do, what do I do now?
(Oh oh)	What do I do now?
All the plans we've made
