Had an epiphany, and this what it seems	Look (13) (14) all got the same
These (1) mirrors don't wanna believe	face on
For far too long they've been plottin on me	I'm standing by the phone (15) call me
The stories unfolding now, it's a conspiracy	Bring me to life
Starting to feel like a deja vu	Show me how to live
I remember (2) here	Cause I (16) control, feeling like Neo
Must be a glitch in the matrix	In the matrix, I just (17) live
Look around (3) all got the same face on	I just wanna live (oh woah)
I'm standing by the (4) (5) call	I took a red and a (18) pill, now I
me	Can't decide what's make (19) or real am I
Bring me to life	Awake or am I still asleep?
Show me how to live	It's killing me
'Cause I lose control, feeling like Neo	I need you, you gotta help me
In the matrix, I just wanna live	I'm part human, part android
I just wanna (6) (oh woah)	I need your (20) so you can't judge me
I took a red and a (7) pill, now I	Judge me
Can't decide what's make believe or real am I	(Oh woah) stuck in the matrix
Awake or am I (8) asleep?	(Oh) bring me to life
It's killing me	Bring me to life
Until the oracle I wanted to know	Show me how to live
What I was (9) to do	'Cause I lose control, feeling (21) Neo
She (10) I see on my own	In the matrix
And the (11) thing is that you already	l just (22) live
know	I (23) wanna (24) (oh woah)
How to decipher the signs	
On the side of the road oh woah	
Starting to feel like a deja vu	
I (12) being here	
Must be a glitch in the matrix
