

I am not the ghost you want of me

If you're lost and alone

## Fill in the gaps

Well, I woke up to the sound of (1) the cars	Or you're (15) like a stone
Were cutting like knives in a fist figh	Carry on
And I found you with a bottle of wine	May your past be the sound
Your (2) in the curtains	Of your feet upon the ground and
And (3) (4) the Fourth of July	Carry on
You (5) and (6) "we are not"	(Woah)
"We are not shining stars"	My head is on fire
This I know	But my legs are fine
I (7) said we are	After all (16) are mine
Though I've never been	Lay (17) (18) (19) on
Through hell like that	the floor
I've closed enough windows	Close the door
To know you can never look back	Hold the phone
If you're lost and alone	Show my how
Or you're (8) like a stone	No one's is ever going to (20) us now
Carry on	'Cause we are
May (9) past be the sound	We are shining stars
Of your feet upon the ground	We are invincible
Carry on	We are who we are
Carry on, carry on	On our darkest day
So I met up	When we're miles away
With (10) at the	So we will come
(12) of the nigh	We (21) find our way home
At a bar off 75	If you're lost and alone
And we talked and talked	Or you're (22) a stone
About how our parents will die	Carry on
All our neighbours and wives	May (23) past be the sound
But I'd like to think	Of your feet upon the ground and
I can cheat it all	Carry on
To make up for the (13) I've (14)	
cheated on	Carry on, carry on
And it's nice to know	Carry on, carry on
When I was left for dead	
I was found and now I don't room those streets
