All the pretty (1) on a Saturday night	Will you break and take all the words from my mouth?
So I call your name, cross my fingers	I wish all the pretty girls were shaking me down
Uncross the others, hesitate	But not you
(Oh) I don't think straight	You still wear boots and your hair is too long
With nothing to prove	And then this one
I don't wanna say I'm leaving	Doesn't want to admit she's fallen in love
I'll stay until the weekend	(Oh) c'mon (oh) c'mon what's a boy to do
You can take all your things	When all the pretty (8) can't measure to you?
The boxes and rings	I don't understand your reasons
And get going	Please just stay over the weekend
'Cause I've (2) (3) for	You can't take all those things
All the pretty (4) on a Saturday night	They define you and me
Let it be, and come to me with the look in your eyes	Everything we've become
Will you break and take all the worlds from my mouth?	You're all that I need
I wish all the pretty girls	Please don't make me face my generation alone
Were shaking me down, so I call	All the pretty girls on a Saturday night
I call you out	Let it be, and come with me
Just to (5) a little better about myself	With the look in your eyes
(He does) I do (you do)	Will you break and take all the words from my mouth?
Baby I do, I do, I do	I wish all the pretty girls were shaking me down
Till their lips start to move	But not you
And their friends wanna talk music	I feel your faith is destroying the world
I say "I've never heard the tune"	And then this one never really understood
But I have, I just hate the band	The 80s is (9) and done
'Cause they remind me of you	(Oh) c'mon, what's a boy to do
Every single night (6) up the same	When all the pretty girls can't measure to you?
I don't say much at all, but I bring up your name	All the pretty girls on a Saturday night
(Over and over and over)	All the pretty girls on a Saturday night
I think it's striking me out	All the pretty girls on a Saturday night
All the pretty (7) on a Saturday night	All the (10) girls on a Saturday night
Let it be, and come with me
