All the pretty girls on a Saturday night	Will you break and take all the words from my mouth?
So I call your name, (1) my fingers	I wish all the pretty girls were (13) me down
Uncross the others, hesitate	But not you
(Oh) I don't think straight	You (14) wear (15) and your hair
With (2) to prove	is too long
I don't wanna say I'm leaving	And then this one
I'll stay until the weekend	Doesn't want to admit she's fallen in love
You can take all your things	(Oh) c'mon (oh) c'mon what's a boy to do
The boxes and rings	When all the pretty girls can't (16) to you?
And get going	I don't understand your reasons
'Cause I've been (3) for	Please just stay (17) the weekend
All the pretty girls on a Saturday night	You can't take all those things
Let it be, and (4) to me with the look in your eyes	They define you and me
Will you break and take all the worlds from my mouth?	Everything we've become
I wish all the pretty girls	You're all that I need
Were (5) me down, so I call	Please don't make me face my (18)
I call you out	alone
Just to feel a little better (6) myself	All the pretty girls on a (19) night
(He does) I do (you do)	Let it be, and (20) with me
Baby I do, I do, I do	With the look in your eyes
Till their (7) (8) to move	Will you break and take all the (21) from my
And their friends wanna talk music	mouth?
I say "I've never heard the tune"	I (22) all the pretty girls (23) shaking me
But I have, I just hate the band	down
'Cause they remind me of you	But not you
Every single night ends up the same	I feel your (24) is destroying the world
I don't say much at all, but I bring up your name	And then this one never really understood
(Over and (9) and over)	The 80s is (25) and done
I (10) it's (11) me out	(Oh) c'mon, what's a boy to do
All the pretty (12) on a Saturday night	When all the pretty girls can't (26) to you?
Let it be, and come with me	All the pretty girls on a Saturday night
With the look in your eyes	All the (27) girls on a (28)
	night
	All the pretty girls on a Saturday night

All the pretty girls on a Saturday night
