Eye to eye (1) winners and losers		Sweet (12) death
Hurt by envy		Just (13) (14) lies
Cut by greed		Some memories of
Face to (2) with (3) own disillusions		Gone by times
The scars of old romances still on their cheeks		Will (15) recall the lie
And when (4) by blow		The first cut won't hurt at all
The passion dies		The second only makes you wonder
Sweet little death		The third will have you on your knees
Just (5)	(6) (7) some	You start bleeding I (16) screaming
(8)	_ of	The (17) cut won't hurt at all
Gone by times		The second only makes you wonder
Would (9)	_ recall the lie	The third will (18) you on your knees
The first cut won't hurt at all		You start bleeding I (19) screaming
The second only makes you wonder		The first cut won't (20) at all
The third will have you		The (21) (22) makes you wonder
On your knees		The third will have you on your knees
You start bleeding I start screaming		You start bleeding I start screaming
It's too late the (10) is made by fate		The first cut won't (23) at all
Time to prove what forever should last		The second only makes you wonder
Whose feelings are so true		The third will have you on your knees
As to stand the test		You start (24) I start screaming
Whose demands are	so strong	
As to (11) all attempts		
And when blow by blow		
The passion dies
