

Fill in the gaps

Eye to eye stand (1) and losers	Sweet little death
Hurt by envy	Just have been lies
Cut by greed	Some memories of
Face to face (2) their own disillusions	Gone by times
The scars of old romances still on their cheeks	Will still recall the lie
And (3) blow by blow	The (17) cut won't hurt at all
The passion dies	The second only makes you wonder
Sweet little death	The third will have you on your knees
Just have (4) lies some (5) o	f You start (18) I start screaming
Gone by times	The first cut won't hurt at all
Nould still recall the lie	The second (19) (20) you wonder
The (6) cut won't hurt at all	The third will have you on your knees
The second only makes you wonder	You (21) bleeding I start screaming
The (7) (8) have you	The first cut won't hurt at all
On your knees	The second only makes you wonder
You start (9) I start screaming	The third will have you on your knees
t's too late the decision is made by fate	You start (22) I start screaming
Time to (10) what forever (11)	The first cut won't hurt at all
ast	The (23) (24) makes you wonde
Whose feelings are so true	The third (25) have you on your knees
As to (12) the test	You start bleeding I start screaming
Whose (13) are so strong	
As to parry all attempts	
And (14) (15) by blow	
The (16) dies
