

And all I know is that it feels like forever

Fill in the gaps

I'm looking at you through the glass	But no one ever tells you
Don't (1) how much (2) has passed	That forever feels like home
Oh, god it feels (3) forever	Sitting all alone inside your head
But no one ever (4) you	And it's the stars
That forever feels like home	The stars
Sitting all alone inside (5) head	They (18) for you
How do you feel?	And it's the stars
That is the question	The stars
But I forget	They lie to you
You don't (6) an easy answer	Yeah
When something like a soul	I'm looking at you (19) the glass
Becomes initialized and folded up	Don't know how much (20) has passed
Like (7) dolls and little notes	Oh, god it feels like forever
You can't expect a bit of hope	But no one (21) tells you
So while you're outside (8) in	That forever feels like home
Describing what you see	Sitting all alone (22) your head
Remember (9) you're staring at is me	'Cause I'm (23) at you through the glass
'Cause I'm (10) at you through the glass	Don't know how (24) time has passed
Don't know how much time has passed	And all I know is (25) it feels (26)
All I know is that it (11) like forever	forever
When no one ever tells you	But no one ever tells you
That forever feels like home	That (27) feels like home
Sitting all alone inside your head	Sitting all alone inside your head
How much is real?	And it's the stars
So much to question	The stars
An (12) of the mannequins	They shine for you
Contaminating everything	Yeah
When thought (13) from the heart	And it's the stars
It never did right from the start	The stars
Just listen to the noises	They lie to you
(Null and void instead of voices)	Yeah
Before you tell yourself	And it's the stars
It's just a different scene	The stars
Remember it's (14) different from	They shine for you
What you've seen	Yeah
I'm looking at you through the glass	And it's the stars
Don't know how much (15) has passed	The stars
And all I (16) is that it feels like forever	They lie to you
When no one ever tells you	Yeah yeah
That forever feels (17) home	(Ohhh) (28) the stars
Sitting all alone inside your head	(Ohhh) when the stars
'Cause I'm looking at you through the glass	They lie
Don't know how much time has passed	

1. know
