Everyone's itching from beauty
But (20) scratching the surface
Lost time is never found
Can the DJ please reverse it?
In life we pay for change
Let's make (21) it
Anything can work if you work it
When people say you don't (23) it
Then don't give in
'Cause hate may win some battles
But love wins in the end
You (24) like the sun
While the moon and the starts
Reflect your light
Beauty revolves around you
It's only right that
All around the world
People want to be loved
(Let me hear you)
All around the world
They're no different than us
(No different, no different, no different)
All around the world
(Hands up, hands up,)
(People want to be loved)
All (26) the world
(They're no different than us)

All around the world

(People want to be loved)

All (27)	the world
All around the world	
(Believe)
