

## Fill in the gaps

## I Saved The World Today by Eurythmics

Monday (1) you like a bomb	And everybody's (12) now
It's (2) (3) ticking there too long	The good thing's here to stay
You're bleeding	Please let it stay
Some (4) there's nothing left to learn	Let it stay
From the point of no return	Let it stay
You're leaving	(Doo doo doo doo) The good thing
Hey, hey, I (5) the world today	Hey, hey, I saved the (13) today
Everybody's (6) now, the bad thing's	And everybody's (14) now
(7) away	The bad thing's gone away
And everybody's happy now	And everybody's happy now
The good thing's here to stay	The (15) thing's here to stay
Please let it stay	Please let it stay
There's a million mouths to feed	Hey, hey, I (16) the world today (everybody's
But I've got	(17) now)
Everything I need	And everybody's happy now
I'm breathing	The bad thing's gone away (everybody's happy now)
And there's a hurting (8) inside	And everybody's happy now
But I've got everything to hide	The (18) thing's (19) to stay
I'm grieving	Please let it
Hey, hey, I (9) the world today	(Uuh) Let it
And everybody's (10) now	
The bad thing's (11) away
