wiracle of miracles	You say why
Look (1) the night dragged in	Don't ask me why
It's a pocket full of misery	I don't (7) you anymore
And trouble on the wind	I don't (8) I ever did
You spoiled the best years of (2) life	And if you ever had any kind of love for me
You (3) them all in vain	You (9) it all so (10) hid
Now you think that you're forgiven	You (11) the best (12) of your
But you can't be born again	life
You say why	You took (13) all in vain
You say why	Now you think that you're forgiven
You say why	But you can't be born again
Don't ask me why	You say
I don't love you anymore	(Why, why, why, why, why, why, why, why)
I don't think I ever did	You say
And if you ever had any kind of love for me	(Why, why, why, why, why, why, why, why)
You (4) it all so well hid	I don't love you anymore
Promises sweet	I don't love you anymore
Promises	I don't (14) you anymore
You kept them (5) your mind	I don't love you anymore
Like all the lost forgotten things	You say why (I don't love you anymore)
You never seemed to find	You say why (I don't love you anymore)
Like all the disappointments	You say why (I don't love you anymore)
You displayed (6) your shelf	Don't ask me why (I don't love you anymore)
Now you've got no one to turn to	You say why (I don't (15) you anymore)
You've got	You say why (I don't love you anymore)
No one but yourself	You say why (I don't love you anymore)
And you say why	(Don't ask me why)
You say why
